Dear Mr. Gladu:

The people of Old Mines, Missouri, are very excited to learn that your film, "Cé pus comme ça anymore" has been completed and is in release. Naturally, they are anxious to see the film. We of Missouri Friends of the Folk Arts feel that at least one copy of the film should be given to some institution such as the Old Mines Historical Society, the Washington County Library, or St. Joachim's Church - some place, in other words, where it would be readily available for showing in the community. MFFA is currently engaged in a long term cultural documentation project on the language and folklife of the Missouri French, and we would be most happy to share the results of our work with you.

I look forward to hearing from you on this matter. Please write to me directly at the address below.

Sincerely,

Joseph G. Pfeffer, Ph.D.
